

Dear TopHotels.ru,

We are thankful for a great opportunity to participate in Online Exhibition 2019. The event format is very convenient for hoteliers as well as for the attendees.

We were surprised by the number of participants that made the webinar successful and highly useful. Organization of the entire event is highly appreciated, special gratitude towards Ms. Svetlana for her professionalism in hosting the event and Ms. Marina for assisting with all kinds of technical support.

We appreciate our partnership with Tophotels.ru and we look forward to future opportunities for working together.

Best regards,

Iftikhar Hamdani
