MALDIVES

Dear Top Hotels team, Svetlana, Tatiana, Maria.

I would like to thank you for the great job organizing **Maldivian Marathon-2** and for your kind invitation to participate.

Featuring on Top Hotels platform helped us connect with both travel industry professionals and independent travelers. I appreciate your professionalism orchestrating the webinar on October 13, 2020. The friendly atmosphere in the webinar room and the growing number of views is the best praise.

As always, working with you is a pleasure and I admire your dedication and working on new features for every event.

I'm always happy to hear from you and discuss new ideas supporting our destination.

Kind regards,

Taisia Panfilova
