Dear TopHotels Team,

On behalf of Barceló Hotels & Resorts, we would like to express our sincere gratitude for the excellent organization of the Maldives Online Marathon, held in collaboration with Maldiviana. It was a great pleasure for us to participate in this project and to present our properties — Barceló Whale Lagoon Maldives and Barceló Nasandhura Malé — to the professional travel community. The webinar gathered a highly engaged audience of travel agency representatives, and we were pleased to receive positive feedback and genuine interest in our hotels.

We also truly appreciate the smooth technical coordination and professional administration of the event by the TopHotels team. The seamless organization, audience management, and post-event support made our participation both effective and enjoyable. During the session, we had the opportunity to interact directly with agents, address their questions, and discuss our product in detail, which resulted in valuable insights and stronger connections.

Thank you once again for this productive collaboration and for your contribution to promoting the Maldives as a premium destination. We look forward to continuing our successful partnership in future projects.

Kind regards,
Evgenia Russiyanova
