

Dear TopHotels Team,

*On behalf of **Bellis Deluxe Hotel**, we would like to extend our sincere gratitude for the fruitful collaboration and strong partnership we have shared throughout this year.*

It has been a pleasure working with a team as professional and dedicated as yours. Your continuous support in promoting our property to a wide and relevant audience has played a vital role in strengthening our brand visibility within the hospitality industry.

We were especially honored to take part in the online webinar with the hotel's presentation hosted by TopHotels this year. It was a wonderful opportunity to showcase our concept, services, and facilities to your esteemed community. Your team's organization and engagement made the experience both seamless and impactful, and we truly appreciate the platform you provided.

Thank you once again for your trust and partnership.

Warmest regards,

Bellis Deluxe Hotel Marketing Department
