

Thank you to Top Hotels team for the opportunity to participate in the marathon “Travel Trends 2025”. The webinar was a success, there was an excellent base of active agents interested in the product. The event was actively promoted on social media, which serves as a good path to our brand awareness. After the webinar, agents kept in touch and actively asked questions. We will participate in such activities again.

A handwritten signature in black ink, reading "Aminath Zaady", with a long horizontal line extending from the end of the signature.
