

Dear TopHotels Team, Dear Svetlana & Aleksandra!

Thank you for creating such a great project - Travel Trends: Winter 2022/2023

It was an absolute pleasure to collaborate and to be part of this project. The webinar was conducted in professional manner, great attendance, interesting questions from agents.

We are happy that we were able to showcase our Resort to big and involved audience, and to receive positive feedback. We thank you and your Team for professionalism, dedication and punctuality.

We will definitely take a part in other projects in upcoming years.

Thank you for TopHotels Team from Cora Cora Maldives!
