Dear Svetlana,

We will like thank you for inviting us to participate in Online Exhibition "**Maldivian Marathon-2**" which was excellently executed.

It has been a great pleasure working with **TopHotels** and **Maldiviana** for the wonderful experience for training.

Each meeting was easy to navigate and nice platform to meet the agents as well.

I would like to wish you and all Top Hotels team a most successful season ahead and cannot wait to work together again.

Yours Sincerely

*Nendymok*
